

## CARLA CASEY

Carla Casey represents Brenner Real Estate Group in their Melbourne office as the regional manager for property management. She is responsible for the daily oversight, administration and management of a portfolio of properties, construction management, budget preparation and leasing for Brenner's Melbourne portfolio and Palm Beach clients.

She has been instrumental in numerous capital improvements projects throughout the past decade both in improving the value and repositioning of the assets, aesthetic and code-required upgrades, as well as in the improvement of operating conditions and construction management.

Carla started at BREG in 1998 as a senior property manager. In this role, she managed the portfolios of properties including retail, industrial and office buildings in Dade, Broward, Palm Beach and Brevard counties.

Additionally, Carla has co-authored and compiled multiple operating policy and procedure manuals, construction and tenant improvement requirement bidding and packaging, and the compliance of tenant and vendor certificates of insurance.

She holds her Florida REALTOR®'s license, her RPA designation and is completing her FMA designation.
