

To Whom It May Concern:

I recently had the pleasure of working with Brenner Real Estate Group. Together, we closed approximately seventy-five purchase transactions in a condominium project in Melbourne Beach, Florida. Because the project was only partially completed, there were many difficulties, some going beyond the realm of the closing process. Brenner Real Estate Group's expertise and willingness to go above and beyond each and every time, made the success of this entire project possible.

Brenner Real Estate Group was always prepared, informed and in contact with my staff which helped to ensure that each closing was handled smoothly, efficiently, with the highest level of courtesy and professionalism. They provided daily communication regarding each separate transaction, returned phone calls promptly, they were always on top of things, and always attentive and proactive making sure that any and all issues were resolved as quickly as possible.

To say they are easy to work with would be an understatement. It is not only my pleasure to recommend the Brenner Real Estate Group, but I also hope to conduct business with them in the future should the opportunity present itself. Feel free to contact me with any questions.

Sincerely,

Lizabeth Cassella
