

Receivership / Asset Stabilization

CREATING SOLUTIONS, MAXIMIZING VALUE

Receivership Testimonials

“Scott served as receiver in a recent foreclosure action in which we represented Fifth Third Bank. Scott's responsiveness to requests, and follow-up, made a world of difference when things needed to be done, and added value to the collateral. His real estate development background and business sense come at no extra charge. Scott has an experienced staff to assure the timeliness of his actions.”

“I just wanted to take a minute to thank you both and congratulate you both for bringing this project almost full circle. Without your efforts these closings would not have taken place and my client would still be spending money as opposed to collecting some back. So, on behalf of my client and myself, thanks for your help.”

Joshua D. Miron, Esq.
Brinkley, Morgan, Solomon, Tatum, Stanley & Lunny, LLP.

“It was a pleasure for me personally, and our initiative went much more smoothly, because of your credentials, background and twenty years of experience in dealing with all dimensions involving real estate transactions from various perspectives as Attorney, Broker, Developer, Investor, and Judicial Representative.”
